

Math Teacher: Grades 6-8

Inquiries, with resumé, should be directed to Denise Carman at
employment@belmontclassical.org

SUMMARY

Belmont Classical Academy is seeking a teacher who loves math and loves to teach students. This is a part-time position. If qualified, and more hours are desired, this position may be combined with other positions at the school.

JOB DESCRIPTION

Responsibilities for this position include:

- Enthusiastically implement the approved Belmont Classical Academy curriculum.
- Demonstrate a commitment to professional growth in classical, Christian education through attendance at weekly faculty meetings, yearly participation in the Belmont teacher conference, and self-paced study.
- Maintain a well-disciplined class, while showing each student respect and dignity as a child of God.
- Receive feedback from administrators upon observation, and effectively implement suggestions for improvement.
- Wholeheartedly support the Belmont mission and motto, and adhere to Biblical, Christian teachings and conduct.

This employee will report to the Head of School. For training and curriculum development, this person will work with the Director of Curriculum and Instruction.

EXPERIENCE

Two years previous teaching experience is required.

EDUCATION

Bachelor's degree required; Master's degree desirable.

COMPENSATION

Commensurate with experience.
